Find your inner Climate Action Hero

Meet real-life Climate Action Heroes in our virtual field trip

PreK-K: If You Come to Earth
Grades 1-2: Every Day is Earth Day
Grades 3-5: Who is Greta Thunberg?

1

2

3

Use this cloud chart to see which clouds are in the sky each day

4

Explore what Citizen Science is and participate in one of the many projects happening around the world

5

Make a weather journal to discover weather patterns and plan for extreme weather events

6

Find a composting center in your community and deposit your family's food waste

7

Create a reusable t-shirt bag to use in place of paper bags for lunch and at the grocery store

8

Color our Climate Action Heroes badges

9

PreK-K: The Weather Girls
Grades 1-2: Mario and the Hole in the Sky
Grades 3-5: Shouting at the Rain

10

Make a pollinator bath to provide a place for pollinators to cool off and drink water

11

Make a craft using recycled materials from our friends at Recycle and Play

12

Print or make your own trash tracker and see just how much you can recycle this week

13

Create a habitat for an endangered animal species

14

Reimagine the clean plastic waste in your house as musical instruments

15

Save your family's vegetable scraps and make homemade vegetable stock

16

PreK-K: If Frogs Made Weather
Grades 1-2: One Plastic Bag
Grades 3-5: Fuzzy Mud

17

Complete a greenhouse effect experiment

18

Choose a climate villain to defeat in your Climate Action Hero comic

19

Become a member and experience this activity alongside a Museum educator during our virtual member event!

Learn about communal gardening and see how you can get involved

20

Make an emergency kit to help prepare your family for weather emergencies

21

22

Share your pledge to help fight climate change on social media using #climateactionheroes

23

PreK-K: The Earth Book
Grades 1-2: All New Crafts for Earth Day
Grades 3-5: Me and Marvin Gardens

24

Record environmental observations using the GLOBE Observer app to help scientists

25

Discover how plants and animals depend on trees

26

Take inspiration from nature during our kid-friendly yoga flow

27

Listen to the Climate Action Heroes episode of STEAM Daydream with National Children's Museum

28

Create your own eco-friendly paint

29

Explore the habitats of small creatures with the Museum's Artist-in-Residence
